## Mission Statement

***We welcome and love one another as God loves us, with open doors,  
open minds, and open hearts.***

### Welcome to Holy Family Parish!

Holy Family Parish of North Java, NY is a dynamic faith community of believers who genuinely care *about* and care *for* one another. Joyfully celebrating Mass (Eucharist) on Sunday mornings is the foundation for building and nurturing new and lasting friendships.

Newcomers and visitors are welcomed with warmth and compassion, without judgment. Committed to serving God, each other, and all those we touch with our time, talents, and treasure.

You are most warmly invited to visit, and to participate in the many programs, ministries and other activities here at the parish. Whether you are a lifetime Catholic, a member of a different faith, or exploring your spirituality, you will find a home at Holy Family.

With every blessing,  
Holy Family Parish Community

### *Weekly Reflection*

It's football season and the Buffalo Bills are in the playoffs. Many current and former Western New Yorkers are very excited.

Yet, it wasn't too long ago the Bills were a struggling team with mediocre results as they went through multiple head coaches. In fact, much turmoil reigned around Ralph Wilson's health and potential to move the team and questionable management decisions.

After the death of Mr. Wilson the team was available through a selection process and viable bids that finished with Terry and Kim Pegula purchasing the team.

With a renewed commitment and desire to keep the Bills in Buffalo, there was a growing curve that eventually led them to hiring a new head coach before choosing a new general manager. This method often does not work; however, with the right personnel working together, the results have been uplifting to the fan base.

"Trust the process" was a theme that the new regime used as they tried to bring a winning team immediately and building for long term success.

In many ways, that same message resonates for us in Christ. The Lord has a plan for long term success and we need to trust His direction for us and do our part as members of the one body.

Just as players must work together for on field success, the members of Christ's body must use their abilities from the same Spirit to work together for success in the vineyard.

*With love,  
Fr. Corey*
