Mission Statement

*We welcome and love one another as God loves us, with open doors,
open minds, and open hearts.*

Welcome to Holy Family Parish!

Holy Family Parish of North Java, NY is a dynamic faith community of believers who genuinely care *about* and care *for* one another. Joyfully celebrating Mass (Eucharist) on Sunday mornings is the foundation for building and nurturing new and lasting friendships.

Newcomers and visitors are welcomed with warmth and compassion, without judgment. Committed to serving God, each other, and all those we touch with our time, talents, and treasure.

You are most warmly invited to visit, and to participate in the many programs, ministries and other activities here at the parish. Whether you are a lifetime Catholic, a member of a different faith, or exploring your spirituality, you will find a home at Holy Family.

With every blessing,
Holy Family Parish Community

ENTRANCE HYMN

(1 Timothy 5:8; Galatians 6:10)

- V. Whoever does not provide for relatives and especially family members has denied the faith and is worse than an unbeliever.
- R. So then, while we have the opportunity, let us do good to all, but especially to those who belong to the family of the faith.

Prayers of the Faithful Response

Lord, let your love guide us.

Weekly Reflection

Many of you have done a lot of cooking over the years and learned some wonderful recipes that you and others have enjoyed.

However, when you first began, there were probably more than a few results that were not so successful, but that did not deter you from continuing on as you learned from the mistakes.

Eventually you learn that some foods mix well, while others require something to help bind the ingredients together.

This is not so much different for families. Everyone has unique qualities and sometimes they complement well as they bind, while other times not so well.

The most important ingredient in any family is love. Love your spouse, love your children, love those around you, and of course, love God.

Love is more than an emotion; it is also a way of thinking and acting. Strengthening love in your life helps overcome those times in life when your personal qualities clash, instead of blending.

Like your experiences with cooking, you can learn from the mistakes and find success. You can also learn a few of those "little secrets" that makes your family life that more special.

Also, you do not have to worry about being perfect; just be sure to have lots of love for each other and for God. That is what a single woman becoming pregnant outside of wedlock and a man (who was not the father) did as a wonderful example to us.

Love and God makes all things wonderful!

*With love,
Fr. Corey*
