## Mission Statement

***We welcome and love one another as God loves us, with open doors,  
open minds, and open hearts.***

### Welcome to Holy Family Parish!

Holy Family Parish of North Java, NY is a dynamic faith community of believers who genuinely care *about* and care *for* one another. Joyfully celebrating Mass (Eucharist) on Sunday mornings is the foundation for building and nurturing new and lasting friendships.

Newcomers and visitors are welcomed with warmth and compassion, without judgment. Committed to serving God, each other, and all those we touch with our time, talents, and treasure.

You are most warmly invited to visit, and to participate in the many programs, ministries and other activities here at the parish. Whether you are a lifetime Catholic, a member of a different faith, or exploring your spirituality, you will find a home at Holy Family.

With every blessing,  
Holy Family Parish Community

### *Weekly Reflection*

It's football season and many people enjoy watching their favorite team compete throughout the season in hopes of reaching the playoffs and, ultimately, raise the Lombardi Trophy as victor of the Super Bowl.

Yet, before all that excitement resonates, the offseason holds its own excitement as teams assess their current players and staff, do background checks on potential draft picks, and also look for potential trade options.

When the hopefuls arrive for training camp, the coaches evaluate each player. Whether the player is a high draft pick or even undrafted candidate, there is an opportunity for each player to make the team.

In Buffalo, the people enjoy the story of Josh Allen who was considered not very accurate, which caused teams to pass on him. Yet, Allen has done remarkably well with the right coaching and encouragement.

There also the story of Joe Andreessen, an undrafted hopeful seeking an opportunity to get a contract. In the eyes of many around them, those undrafted players are not good enough to receive the same attention as the high ranked prospects.

Yet, inside these humbled players, there is a deeper desire to be found worthy enough to make the team. Never mind about the high salaries; simply to reach their goal is their desire.

We should not self-promote ourselves, but rather be humble to keep a strong hunger inside of us to be a better person.

*With love,  
Fr. Corey*
