Mission Statement

*We welcome and love one another as God loves us, with open doors,
open minds, and open hearts.*

Welcome to Holy Family Parish!

Holy Family Parish of North Java, NY is a dynamic faith community of believers who genuinely care *about* and care *for* one another. Joyfully celebrating Mass (Eucharist) on Sunday mornings is the foundation for building and nurturing new and lasting friendships.

Newcomers and visitors are welcomed with warmth and compassion, without judgment. Committed to serving God, each other, and all those we touch with our time, talents, and treasure.

You are most warmly invited to visit, and to participate in the many programs, ministries and other activities here at the parish. Whether you are a lifetime Catholic, a member of a different faith, or exploring your spirituality, you will find a home at Holy Family.

With every blessing,
Holy Family Parish Community

Prayers of the Faithful Response

Lord, move our hearts to follow you.

Weekly Reflection

During these past two weeks we were reminded that Jesus was revealed to the world through the Epiphany, His baptism, and the miracle at the wedding in Cana.

These revelations remind us of our own call that God has given us. Sometimes we may find our responses fast and easy while the journey is challenging, or perhaps we'll find a response challenging because we are scared while the journey is easy.

When we find ourselves not sure what to do, we need to spend more time soul searching as well as talking with the Lord and those who will pray with you.

Those personal relationships truly make a difference, and it is no different than our personal relationship with the Lord. It takes time, effort, and a desire to be in that relationship.

Telling those around us about our days, the special moments, and the sorrows is actually easy compared to stopping to listen to the next person's day, their special moments, sorrows and dreams when there seems to be a barrier between you.

Learning how to communicate better takes time. Remember, successful communication is when the recipient understands the intended message. So, use what is in common, work on the simple parts, and grow from there.

In our relationship with God, we have His written Word and His Spirit to help us to get past that barrier. Tap into those resources and grow that special relationship with the most wonderful person ever!

*With love,
Fr. Corey*
